

Sample Answer:

3. Community Welfare Officer and new migrant about accessing health care in Australia.

English Speaker's Part Interpreted into Chinese:

A: 有什么可以帮您吗?

A: 当然可以。我想说，澳大利亚有非常强健的医疗保健制度。我们通过医保卡来提供医疗保健福利。它帮助永久居民减免医疗、药品和住院服务的相关费用。

A: 好的，这种情况下，您有几种选择。如果您认为情况不紧急，您可以去看当地的全科医生。但如果是紧急情况，您可以拨打000，或者您可以去当地的公立医院。

Sample Answer:

Chinese Speaker's part interpreted into English:

B: I migrate to Australia as a permanent resident last week, but I do not know much about accessing health system in Australia. Would you please tell me about what types of benefits can I get?

B: What will I do if anyone in my family members become sick?

B: Ok. What I understand, I can pay all the bills like doctor's, hospital's or pharmacy bill through Medicare card.

B: Interesting. So, what will I do if I need to buy any prescribed medicine?
